

## TOFINO PANTS AND SHORTS / 2 VIEWS

A - BACK

B - BACK

**DESCRIPTION:** Casual, semi-fitted lounge pants feature contrast piping and vertical seaming, faux-fly detail for a modern look. Elastic waistline also has a fabric tie belt to customize the fit. Rise is cut slightly lower in the front and higher in the back. View A pants are full length. View B shorts are knee length.

**RECOMMENDED FABRICS:** Lightweight woven fabrics such as cotton flannel, cotton voile and lawn, shirting fabrics, or lightweight jersey. Silk or satin would make an elegant pair of lounge pants! Allow extra fabric to match plaids, stripes or one-way designs.

**NOTIONS:** Thread, 1 yard of 3cm elastic, 5 metres of 3mm wide cording for piping. Optional: replace the fabric-covered piping with 5 metres of purchased pre-made piping.
